## IT NEWS

2017 is set to be our last year of the 1-to-1 laptop program, which only Year 12's will be on. Years 7-11 are all now BYOX device users. Parents continue to have the opportunity to purchase a device and then gain connectivity to the Benowa State High School BYOX network.

## ON-BOARDING BYOX STUDENTS IN 2017

The IT Department will be doing classroom visits to assist students with connectivity to the BYOX network during the first few weeks of term 1.

IT would greatly appreciate if parents could ensure their children have their laptops/digital devices with them as early in the first few weeks as possible. This will ensure that IT can on-board as many students as possible within the early part of term one.

Parents can find the minimum specifications for devices information on the BYOX (Computers and Technology) page of the Benowa State High School website. There is also a BYOX brochure available on the same page, along with the BYOX Connect zip file, which will be required for students to run when they wish to connect to the school's BYOX network during school time.

Day use devices are only available to Year 12 students, as they are only designed for the 1-to-1 program users. All other year levels are 100% BYOX devices only.

## MOBILE PHONE & PERSONAL TECHNOLOGY DEVICES

The use of mobile phones and personal music players is subject to the following policy:  
*These are to be switched off during class time to protect the classroom environment and to not interfere with the learning of other students. These will be confiscated if used during class time. These may be collected from administration after school. The sharing of inappropriate images by mobile phone will be regarded as gross misconduct and subject to consequences in the Responsible Behaviour Plan for students. Games are not to be played on laptops during class time.*

## SCHOOL ABSENCES

### ABSENCE

Please notify the school as soon as you know your child will be absent.

You may report an absence by:

- sending a text message to 0429 318 486 – Please note your message must contain **TEXT ONLY** and ensure it does not contain any digital multi-media icons or French accents as the message will not be accepted. Also note you **cannot ring** this SMS mobile number;
- leave a message on 24hr absence line - 07 5582 7360;
- replying to a text message;
- sending a note to the Absence Room when the student returns to school.

**Please do not send absence messages through the school newsletter “contact us” as messages go to a generic office email and not directly to the absence office.**

When you report an absence please give clear and concise details - student full name, year level, date of absence and a very brief reason for absence eg: appointment, sickness, family matter, etc. Unexplained absence/s will be investigated. Students cannot report their own absences. Repeated days off should be supported with a medical certificate as outlined in the student diary. Persistent absence may affect school enrolment.

### Lateness

Students arriving late must report to the Absence Room located next to the Textbook Room to sign in. Students are to present a note with an explanation for their lateness. Students are reminded that punctuality is expected at all times. Late arrivals will be recorded on reports and can lead to cancellation of enrolment.

### Receiving SMS Absence Messages

If you receive an SMS from the school advising that your child is late/absent from school would you please ensure that when you reply include the full name of the student, year level, date and reason for absence i.e. John Smith Year 10 sick 11/2/16.

### Early Departure

Students are only permitted to leave school grounds during the day if they are signed out by parent/s, guardian/s or caregiver/s or have a note signed by parent/s, guardian/s or caregiver/s giving a valid reason. Before school or during break times, students must have their note sighted and signed by a Director and then go to the Absence Room to have a Leave Pass issued.

I would ask parents to please refrain from collecting students during school hours unless absolutely necessary. If you must collect your child during school hours please advise the office beforehand to ensure we locate your child in plenty of time. Students will not be released from the school site to go to an ATM or to go and buy lunch.

Please be detailed in absence notes as 'Family Reasons' will not be accepted as a reason for absences.

### Illness

Students who become ill during the school day must initially report to the Student Services Counter after obtaining a note from the current subject teacher. From there, students will either return to class or a parent, guardian or caregiver or listed emergency contact person will be notified.

Your child should be collected as soon as possible after you have been contacted. We cannot provide long term care for students.

Under no circumstances is a student to contact home and arrange to be collected without the prior permission of the Office staff.
