

Redback Orientation Program Years 7, 8 and 9

What: Our **Redback Orientation Program** will be held every even week of every term (weeks 2, 4, 6, 8 and 10) for students in years 7, 8 and 9.

Where: The RTR in I block

When: Wednesday Period 4 instead of Clubs for one lesson only. Do not go to your usual class for this lesson.

Who will I meet? Mr Anderson, one of our RTR teachers will meet you in the RTR. Just go to the sliding door and knock if it is closed.

Why? In 2023, 85 students were enrolled at our school throughout the year after the first two weeks. These students missed out on learning vital introductory information about the school, including detention processes, the RTR, Clubs and Stymie. Proactive behaviour support will also be offered.
