## CAN'T MAKE THE BROADWATER TRIAL?

If you are unable to attend the Broadwater trial, students can apply for an exemption. Please refer to the Broadwater Selection Policy below;

- In order for students to be selected in a Broadwater District team, they must be in attendance at the District Trials. The only exception to this is where:
  - Students are away at a sporting event of a higher level (in one of the sports approved by Qld School Sport). The District Trial Convenor must be notified of this prior to the start of the Trial.
  - Students have a medical certificate that is supplied to the Convenor prior to the start of the trials, covering the regional trial date.
