Executive Committee members of a P&C Association that operate an Outside School Hours Care facility **MUST** have a Business Blue Card, or proof of a submitted application for a Blue Card.

Paid employees must have a blue card before they commence employment with the P&C.

All written advertisements for volunteer or paid employment will include information regarding Blue Card requirements.

For example:

- [Mandatory All-Staff Training](#) as provided by the Principal.
- Display Student Protection Fact Sheet in P&C areas of operation and also with the Volunteer Register or refer to the location where the Student Protection Fact sheet is displayed.

Management

The following procedures are to be followed to ensure compliance with the legislation:

- Blue Card Services must be notified if the person in the role of President (the contact person for the Association) changes – this can be via organisation portal or the form available on Blue Card Services website.

- Currency of the Blue Card for P&C employees is a condition of employment and is to be monitored by the P&C President.
- A Student Protection Activity Risk Management Plan (see template) should be completed for each activity in order to identify the potential risks and put appropriate strategies in place to minimize the risks.

Offences and Penalties

P&C Associations MUST ensure that a Student Protection Risk Management Strategy is implemented, reviewed annually and updated as necessary to ensure compliance.

There is a range of penalties for breaches of the *Working with Children (Risk Management and Screening) Act 2000*.

Blue Cards

Volunteers

Volunteers need a blue card if their usual function includes or is likely to include:

- providing services at a school that are directed mainly towards children; or
- conducting activities at a school that mainly involve children.

Volunteers do not need a blue card if they are:

- a "registered teacher"; or
- a volunteer parent of a child attending the school;
- a guest of a school or "recognised body":
 - for the purpose of observing, supplying information or entertainment to 10 or more people, and
 - the activity is for 10 days or less on no more than two occasions per year, and
 - the person is unlikely to be physically present with a child without another adult being present, or
- performing the function of employment at a national or state event organised by a school or "recognised body" (operating at a state or national level):
 - for a sporting, cultural or skill based activity, and
 - the event is attended by more than 100 people, and
 - the work is for 10 days or less on no more than two occasions per year; and
 - the person is unlikely to be physically present without another adult being present.
- a child under 18 years of age volunteering (except "trainee students" undertaking a course of study with an "education provider").

Executive Committee members of a P&C Association operating an Outside School Hours Care facility must have Business Blue Cards whether they are a parent of a child at the school or not.

Paid employees

Paid employees must have a blue card before they commence employment with the P&C.

More information on Blue cards can be found at <http://www.bluecard.qld.gov.au/index.html>

Restricted person in restricted employment (voluntary or paid)

There are exemptions that allow certain people to work or volunteer with children without a blue or exemption card in specific circumstances, such as a parent volunteering as the school/P&C where their child is currently enrolled.

However, as an organisation or business operator, you **must not** employ or continue to employ a **restricted person**.

Restricted person

A **restricted person** is a person who either:

- has been issued a negative notice,
- has a suspended blue card,
- is a [disqualified person](#),
- has been charged with a [disqualifying offence](#) that has not been finalised, or
- is the subject of an adverse interstate Working with Children Check decision that is in effect.

For further information, please refer to [Blue Card obligations for organisations](#) on the Blue Card Services website.

Student Protection Activity Risk Management Plan

The Student Protection Activity Risk Management Plan records details of the risks identified for the life of the activity, their grading in terms of likelihood of occurring and seriousness of impact on the activity, initial plans for mitigating each high level risk and subsequent results. (See Template).

All Student Protection Activity Risk Management Plans need to be filed together for reference and referral when necessary. This process needs to be completed as a provision of conducting activities that involve students. Risks identified at a high level **MUST** be reported to the principal before the activity is approved.
