

Surfers Paradise AFL Fellowship Opportunity

Dear Parent / Guardian

In continuing our partnership with Surfers Paradise Football Club (SPFC), we are excited to announce they will once again be offering our students AFL football fellowships for the 2025 season. AFL is a fast-growing sport in South East Queensland with many pathways available to all levels including community, state and elite levels. This is a great opportunity for our students as we continue to foster a strong relationship between the club, school and community.

They are offering both boys and girls for the age groups of 13s, 15s and 17s limited AFL football fellowships to any potential player who has not played Australian Football (AFL) before or played previously at SPFC.

The fellowship covers:

- all training and competition fees for the 2025 season
- Club uniform of playing socks, shorts, jersey and training top

Being part of a football club can lead to further advantages including:

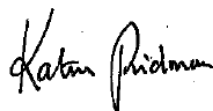

- Future employment endeavours with access to many local businesses
- Network building and access social skill benefits
- Increased holistic health benefits

In order to be eligible for this opportunity you will need to complete the below application and send processing to saust81@eq.edu.au for processing. You will be notified if successful or not.

Kind regards,

Shannon Austin
