

SETP INTERVIEWS

In Year 10, Benowa SHS staff work with students and their parents/carers to develop a Senior Education and Training (SET) Plan.

Developing a SET Plan will help you:

- think about your education, training and career goals after Year 12
- structure your learning in Years 11 and 12 around your abilities, interests and ambitions
- decide which learning options you should choose to achieve your learning, further education and training, and career goals.

The [myQCE guide to planning your QCE pathway](#) will help you understand the QCE requirements, explore learning options and careers and think about your own QCE pathway.

You'll also find [lots of resources](#) on the QCAA website to help you plan your senior pathway.

Think about your future

- Make connections between where you are now and where you want to go.
- Think about your likes, interests, experience and achievements so far.
- Consider your personal strengths and areas to work on.
- Think about the different educational and vocational education and training choices available.
- Consider the subjects you're good at and enjoy.

Explore your options

- Research jobs that interest you, including educational requirements, salary, working conditions, future outlook, and anything else that can help narrow your focus.
- Compare your skills and interests with the jobs you have selected.
- Find out what school subjects (and results) are needed for the jobs that interest you.
- Look at the different costs associated with further education and training options.

Check what you need for your QCE

Make sure your pathway meets the requirements to achieve a [QCE](#). To receive a QCE, you must achieve the set amount of learning, at the set standard, in a set pattern, while meeting literacy and numeracy requirements.

Check what you need for tertiary entrance

To get into many tertiary entrance courses, you'll need an [ATAR](#). To be eligible, you must:

- satisfactorily complete an English subject
- complete 5 General subjects, or 4 General subjects + 1 Applied subject or VET course at Certificate III or above.

Some universities also require prerequisites. Make sure you find out what these are.

Want to know more?

- Talk to your teachers, Heads of Department, Guidance Officers, Industry Liaison Officer and Head of Senior Schooling for more information.

Benowa SHS chooses to individualise SET plans and the final subject selection phase to provide a more focused or intensive approach to meet the needs of their student population. This final phase constitutes an interview with a school counselor on the following dates:

- | | |
|--------------------------------------|------------------|
| • Monday 24 th August | 8:30am – 4:30pm |
| • Wednesday 26 th August | 8:30am – 4:30pm |
| • Saturday 29 th August | 8:30am – 11:30am |
| • Tuesday 1 st September | 8:30am – 4:30pm |
| • Thursday 3 rd September | 8:30am – 4:30pm |

Parents are able to book your time and counsellor through www.sobs.com.au from Monday 10th August. If you are seeking to speak to a counsellor who has a certain role within the school, look at the following table and book the appropriate person.

Counsellor 1	Deputy Principal
Counsellor 2	Deputy Principal
Counsellor 3	Deputy Principal / Head of Department
Counsellor 4	Deputy Principal / Head of Department
Counsellor 5	Guidance Officer
Counsellor 6	Head of International Baccalaureate program (IBDP) ** <i>only for students choosing IB in 2021</i>
